

FAX 9760

Multifunctional Fax

Konica

Powerful Faxing Capabilities for Any Office Workgroup

The Konica FAX 9760 is built to perform reliably and efficiently. Delivering high quality plain paper output at a fast 8 pages-per-minute, the Konica FAX 9760 also transmits a page in only 6 seconds. A 30-sheet document feeder, programmable speed dialing, and instant dialing keep you working at the pace you need – fast. You can even upgrade to a 33.6 Kbps modem to further increase performance with faster transmission and reception as your business communication needs grow. The Konica FAX 9760 has it all – and can even be connected to your PC with the optional MFP Kit with JetSuite® Pro software and used as a 600 dpi, 8 ppm personal desktop printer.
