Multifunction Fax

**Konica**

## Easy-to-use Mid-range Multifunction Fax for the Office Workgroup.

The Konica FAX 9765 is designed to deliver efficient and easy-to-use fax capabilities for your workgroup. A standard 33.6 modem and 3 second transmission and scanning speed provide a high level of performance. A 30-sheet document feeder, 40 one-touch and 150 two-digit speed dials, dual access and instant dialing keep you working at the pace you need – fast. The optional Unimessage Pro Multifunction Kit also brings PC printing, scanning and faxing to the desktop for single users or a group of users. With an engine speed of 8 pages-per-minute and 600 dpi resolution for printing, the FAX 9765 yields high quality, professional documents every time.
