

# FAX 9880

Multifunctional Fax

## Delivering Strength and Value.

Adding strength to the Konica fax lineup, the Konica FAX 9880 was designed to deliver robust, efficient fax capabilities to workgroups in medium size businesses. Its 33.6 Kbps modem provides the capability to transmit and scan a page in three seconds and its dual access function handles two tasks simultaneously. The Konica FAX 9880 comes standard with 2.5 MB of memory, a 250-sheet paper tray, 50-sheet automatic document feeder, 40 one-touch keys and 100 speed dials. In addition, a QWERTY keypad, instant dialing and 72 hours of battery backup are also standard. With optional 600 x 600 dpi print resolution, the FAX 9880 also offers 99 department codes, an impressive toner yield of 5,000 pages and 20 extra group locations. The Konica FAX 9880...designed to cater to the needs of a growing business.
